The Rising of a Star

Kylian Mbappé

Kylian Mbappé in an interview with Jornal Record about Leonardo Jardim:

"Praise and gratitude for the bet of the Portuguese coach"

"He is a very strong coach tactically, but not only that. He guided us well throughout the season, at all times, good and bad, he was always close to the group. Leonardo Jardim has all the merit in this title for Monaco. He was the one who guided us."

"It was very important for me to be able to work with someone like him. He helped me a lot at this stage, he made me progress tactically. He was the one who bet on me. In addition, the advice he gave me and the way he taught me, allowed me to keep me at a regular level throughout the season. I've learned a lot and I thank him."
